EXECUTIVE DIRECTOR

November 2020

Dear Friends and Neighbors,

We are so thankful for you and your continued support of all our programs that enable us to provide for those in need in our community. This year COVID-19 has brought a unique challenge in meeting those needs. We have seen a significant increase in access to our Food Pantry and Food Sense Programs, as well as our Emergency Assistance Program for heat, utilities, clothing, transportation and shelter. Many in Herkimer County have experienced loss of employment and income during this time, and families will continue to need our support and services at Catholic Charities.

This type of assistance to those in our community could not happen without your generous support!

Our 24th Annual Sister Rachel Campaign "Caring Beyond Belief", is now underway. **All dollars raised by this effort go directly to support our local programs here in Herkimer County.**

Your generosity and support are, as always, sincerely appreciated by Catholic Charities, and most especially by those who benefit from the many programs we offer.

An easy to use remittance envelope is provided for your convenience.

Thank You and May God Bless You!

Sincerely,

Maureen Petrie; Executive Director
