

December 2021

Dear Friends and Neighbors,

We are so thankful for you and your continued support! With your help, Catholic Charities is able to provide services to over 15,000 residents of Herkimer County each year.

The last year and a half have been especially difficult for everyone in our community. Many of our neighbors have experienced the loss of employment and income. No one is immune. We have seen significant increases in requests to access our Food Pantry and Food Sense Programs, as well as our Emergency Assistance Programs for heat, utilities, clothing, transportation and shelter. Here at Catholic Charities, we have had to constantly change and recreate our programs finding the best way to meet the ever-growing and constantly changing needs of our neighbors. This assistance could not happen without your generous support!

Our 25th Annual Sister Rachel Campaign “Caring Beyond Belief”, is now underway. All dollars raised by this effort go directly to support our local programs here in Herkimer County.

Your generosity and support are, as always, sincerely appreciated by Catholic Charities, and most especially by those who benefit from the many programs we offer.

We have provided an easy-to-use remittance envelope for your convenience.

Thank You and May God Bless You!

Sincerely,

Maureen Petrie; Executive Director
